CAMPAIGN for TOMORROW
2017 - 2020

Thanks to the historic anonymous gift and receipt of a draft budget from our planning consultant, Charles Jordan, our goal has been increased to encompass a broader scope of work to include hurricane windows and restoring the front doors & sidelights besides funding handicap accessibility, building safety, electrical and lighting upgrades, and up- dating of the catering kitchen. Our anonymous donor's goal is to help us get the necessary renovations completed so we do not have to worry about them in the near future. The desired outcome is to improve accessibility and safety for Club Members, Guests and the Community.

A team of members (Issie Wise, Shelly deMarco, Dinah Pickett, Mardi Podesta, Carol Fitzgerald) is currently working on a grant proposal to Mary Porter Legacy Fund at the Community Foundation of Broward County for \$150,000 due October 9. Grant awards will be announced in December.

To date the Campaign has received a \$3,000 grant from the National Historic Preservation Trust for architectural expenses; \$2,000 from the Broward County Community Foundation and other gifts totaling \$1,495 which includes an inkind gift of service.

We have begun to develop prospect lists. A prospect is someone who has the willingness to donate and the ability to donate. Community leaders, former members, those interested in historic preservation or women's organizations; and the general public. If you know of someone who you think would consider a donation to this very worthy cause, please let me know at carlyhwc@gmail.com. Thanks, Carol.

Next month: Details of the project

We are no longer collecting bottle caps! Caps for Love has gone out of business. Many thanks to all who donated to this great Project!

Community Service

Back to School Supply Deliveries Brought Smiles

Many thanks to all who donated school supplies to our annual Back to School Drive. Debbie Furslew delivered to the Hollywood Central Elementary School presenting a check and school supplies donated by the Hollywood Women's Club. With her in the photo below are the assistant principal, Kelly Heverly and the literacy coach, Lisa Eutsey.

Similar donations were made to Oak Ridge Elementary School delivered by Glory Passen and Colbert Elementary School delivered by Shelly deMarco.

Back To School Needs You!

Please considering volunteering even it is only an hour a week. You set your schedule!

Just a little bit of your time can make all the difference to a child struggling to learn to read or a teacher hoping for a little classroom help! It's an amazingly rewarding experience and easy to do. You fit it into your schedule as you wish, even just an hour or two is very beneficial to the kids and schools.

Just go to BrowardSchools.com, click on [Community](#), scroll down to [Volunteer Services](#). All the info you need and answers to many FAQs are right there. Click on [Get Involved](#) to be guided through the application. Any questions, please contact Glory Passen at catmutha@aol.com.

Broward Outreach Movie and Pizza Nights 3rd Thursday of the Month

On August 7 volunteers including several new members enjoyed spending time with five moms and ten children at BOC's Women's and Children's Center. This is a great way to see the Club in action. We are always looking for donations of child appropriate movies, some for 5 and under and some for 10 and under, childrens books and paper products: paper plates, napkins, & cups. To volunteer contact Holly Zipse at hzipse44@att.net.

Boys & Girls Club August Clean-Up Thank You

Dear Volunteers:

I wanted to reach out and personally thank you for helping out with our Annual Club Clean Up in August at the Marti Huizenga Club. Although you may not see the impact you made, please know that the club members saw it and they appreciate your hard work. They walked into the club on Monday morning and saw that it was cleaner and nicer than it was when they left on Friday afternoon.

It is with support from volunteers like you that helps us make a difference in the lives of 12,500 kids that we serve each year in Broward County.

Thank you again for your time and support.

Lisa Devine

Resource Development and Volunteer Manager
Boys and Girls Clubs of Broward County

HWC had six volunteers help clean up the Boys & Girls Club working a total of 15 hours. Many thanks to Marie Visalli, Kim Ehrlich, Natalia Sroufe, Deb Erb, Mardi Podesta and Shelly DeMarco. Go ladies!!!!!! A toaster oven was donated as well.

In 1920, the 19th Amendment to the U.S. Constitution received approval from three-fifths of the states and the right to vote was extended to women. But Women's suffrage may not have become a reality without the historic support of the GFWC. See the attached article to learn more!
