Family Caregiver Solutions (FSC)

**Sponsored by Home Instead Care and the
Hollywood Women's Club**

**2nd Monday of the Month beginning July 10th
5:00-6:00 pm**

For families and seniors living in south Florida, a new resource is coming which will combine creativity, support and resources. Home Instead Senior Care, the leading provider of in-home care services, is launching *Family Caregiver Solutions* monthly support meetings for family caregivers. HWC will be the site of these meetings and several volunteers are needed to help out. These will be the only group meetings of the kind in the area.

Family Caregiver Solutions meetings will be a new opportunity to inspire creative support and solutions for caregivers. The meetings are intended to be attended by both caregivers and the seniors they care for, and will include activities allowing the two to share an hour doing something new. The meetings are free and available to anyone in the community.

This will be a monthly event with time to possibly change. For information call Jillian Pickett, Family Caregiver Solutions Coordinator [954.616.7641](tel:954.616.7641) or jillian.pickett@homeinstead.com.
